To: Property owners/residents of the City of Glens Ferry

From: Mayor Connie Wills

Re: City Wide Clean Up

The week of May 16-21, 2016 has been set as clean up week for the City of Glens Ferry. We are asking our property owners and residents to help with this effort. If we work together to get a handle on trash, vegetative matter (weeds), junk appliances and unlicensed vehicles it will be a benefit to all.

I encourage you to participate in our City wide clean up week by clearing your residence of materials that pose a fire, safety or health hazard. Contact City Hall at 208-366-7418 to schedule debris pick up if needed.

Owners of properties not cleared of such hazards by, May 23, 2016, will receive an abatement notice. If the hazards are not cleared the City may designate a law enforcement officer to issue a citation to the violator. The violation could result in a \$300 fine, time in jail and court fees, (Ordinance 467, Chapter 7, 8-7-5-2).

Working together we can clean up our community and be proud of our town. I extend appreciation for your efforts to make our community a safer, more attractive place to live and do business.
