

# GLENN'S FERRY CHAMBER NEWSLETTER

April 2017

## FROM THE PRESIDENT

Hello everyone. Hard to believe that April and irrigation water are both right around the corner. The hum of the farming equipment has begun rolling down the road since we finally started to dry out.

I would like to thank everyone once again for coming out to the largest Chamber of Commerce Banquet to date. If you have the time, it would be great to see you at our monthly meetings on the first Tuesday of each month.

Also, thank you for all that have joined the chamber this year. We have had a great start to the new year and look forward to continuing that momentum all year.

Michael Huskisson  
Glenn's Ferry Chamber of Commerce President

## CHECK OUT THE CHAMBER WEBSITE CHANGES!

### UPDATING YOUR WEBSITE

Ok, you paid your annual dues; now you need to send an email to Amy Boyack, [amy@sureleader.com](mailto:amy@sureleader.com). Please include the following updated information: pictures, hours, phone numbers, contact names, and logo. Please send this information to assist Amy, she is a very busy business woman and does not have the time to go looking for your information. It will only take a moment for each of us to provide our current information. It takes her hours to go "find" everyone's information. It's your business, you need to let her know how you want it to read.

### NEW WEBSITE OPTIONS:

Look for upcoming information coming about a video project. Merry Jo Fricke of The Calico Cupboard is heading up a project to offer business owners, for a small donation, the option to have a 2-3 minutes video filmed which will highlight their business. These video's will be posted on your webpage for any website visitor to view. Bonus, our Chamber volunteers will be able to show them at the Chamber Vistor Center.
