Public Comments:

Mayor Monty informed the board that Representative Zito will be visiting to update everyone on any changes that may affect the City. He believes the purchase order system is going well though it is taking some getting used to for all of us. Budgeting will be starting soon. He is happy to meet with us to work through any changes we may want to make. He does encourage us to take the 3% increase in budget that all departments will take.

Board Comments:

None

Old Business:

Jenn has not heard of any city entity that is interested in the old shelving and fixtures. She will open it up to public for donation, first come first serve.

New Business:

Jenn presented board with phone bids from Verizon. The new plans would give a new building phone plus a mobile for Jenn to use while running programs and to take pics with. Having both these phones would be cheaper than what we currently have. Lena makes a motion to switch phones services to Verizon and accept bids as presented. Juanita second, no opposed.
