January 4, 2021

Dear Residents of Glenns Ferry,

I wanted to take a moment and tell everyone that I will be on Medical Leave from January 8, 2021 to February 1, 2021. If after my medical procedure I can return to work as Mayor sooner, I will.

I want to thank everyone for their support during this period and especially those that have offered their prayers for a speedy recovery. The prayers mean allot to me and Sammy.

I am lucky to have a great Doctor in Doctor Geis and a skilled surgical team in Boise.

Susan Case, the President of the City Council, will take over as Mayor until my return on February 1, 2021. There can only be one Mayor at a time so I will not be conducting any City business until my return. It is only fair to President Case that I remain on the side lines. President Case has my full confidence and a very good Department Head staff to help her. I ask that you be patient with President Case and the City staff. Save up your concerns so that I can address them on my return.

Sammy and I wish all of you a great 2021 and I will see you soon.

Sincerely,

Monty R. White
Mayor
