RE: Mayor's Corner insert

Dear Citizens, Business Owners and Visitors,

Hello Glenns Ferry! A lot has been going on around the city and I hope the summer is treating you all well. We have several things happening with 4th of July celebrations coming up, school letting out and budget meetings! In the next month or so you will start seeing notices for street oiling which can always be a bit chaotic for you as you drive through town. Just please bear with us and we will get it done as soon and safe as possible.

We will also be doing some projects in our strategic plan soon. My department heads and I have mapped out some serious needs throughout the city that are of grave concern that we are tasking out. We will let you know more on that as each comes up. We will be tackling some long-term issues in the water and sewage departments, so look forward to a few delays as you travel through town this summer. We hope nothing will impede you too much but our goals are to keep moving the City of Glenns Ferry forward!

As always, if you have any questions, concerns, or just want to say hi, come on down, give me a call or email me.

See you around the city!

William L. Galloska
