September 15, 2022

Hello Glenns Ferry,

Well, here we are in the wet season! I hope it is what you wanted; I know the cooler temperatures are a welcome sight. I'd like you to join me in Welcoming Daniel Garland to the City of Glenns Ferry. Daniel joins us from his previous work at Grand View and is licensed in water and sewer treatment facilities. This wonderful addition to our staff will help us to be more self-supporting in that area.

I hope you have been able to see some improvements out at the park and cemetery. While all the changes and corrections will take some time to come online and make a full recovery, we are seeing some great progress. Additionally, our Animal Intake Facility is in the opening stages with the foundation dirt work being started. We hope it will start taking shape soon.

Don't forget our "Be Kind" initiative. I am hopeful we will see many stories of acts of kindness happening in our community and people coming together on projects as well as just encouraging each other. See you all in the next paper, or as it has been said, "see you in the funny pages!"

#bekindtooneanother

Thank you,

William L. Galloska, DMin
